President's Letter

"There are different kinds of gifts, but the same spirit. There are different kinds of service, but the same Lord. There are different kinds of working, but the same God works all of them in all men." I Corinthians 12: 4-6

The Lord gathered 22 pescadores, all with their different gifts, on Saturday, January 29, 2005. We brainstormed communication, education and participation issues identified by the community wide survey from the Fall of 2004. We divided into 3 brainstorming groups to generate ideas by responding to 7 questions. Each group then identified their top 3 ideas, which were presented to the full group. **THE QUESTIONS AND IDEAS ARE LISTED ON PAGE 4.**

Our last step on Saturday was to create 4 focus groups to "transform" these ideas into working self-sustaining procedures. It is anticipated that each focus group will meet once or twice. One member of the focus group will present their group's recommendations for implementation at the March Secretariat. We eventually want to create an operations manual that will become a "living document". We need additional help to change these wonderful ideas into concrete action steps. If you desire to participate, please contact the "contact" person listed below.

In addition, Bill Ryan and Marc Wolff have graciously agreed to be a focus group with a purpose of generating more candidates for men's weekends. Once again, I am amazed and so grateful to God for our gifted community. Saturday was a testimony of how very different people, but all serving the same Lord and Savior, accomplish great things in His Name.

DeColores,
Jim

PRAYER REQUESTS and PRAISES

Please pray for our Leadership:

President:	Jim Crytzer
Vice President:	Mike Wise
Secretary:	Barb Jackson
Treasurer:	Lisa Prouty Corwin
Asst Treasurer:	Ted Kurz
Fourth Day Chair:	Dan Allen
Inventory Chair:	Ernie Palma
Volunteer Coordinator:	Ann Biery

Pray for **Diane Hrubik (W#7)** rectora for Women's #12 and the team as they begin meeting on February 6.

From **Kate Holinek (W#11)**: There is a new tear (from my operation in 9/04) that needs repairing ASAP! My doctor thinks this surgery will be much less of an ordeal and I pray he is right! I have been so busy this last week, trying to "get ready" (at home and work - which is in Student Ministries at Bay Pres.), thus the last minute request! But this community of believers is so special to me that I wanted to share with you all my need for prayer regardless of the timing! I know by the time this gets out, the surgery will be complete, but my need for a speedy recovery (so that I can fully participate on team for the upcoming women's weekend) is still great! I have no doubt that The Lord is in control (and that prayer is so powerful - which is why I humbly ask for yours now!)

Joan and Scott Kowalczyk (W#2) announce with great joy the baptism of their first child, Evan Scott. Evan was born on Nov. 12 at 8lbs 8ozs, and is now over 14#!

From Matt and Stacy Santen (M#4, W#1) Stacy gave birth to our 4th child on Jan 23 at 3:03am. He was 8lbs 6oz and 21 inches long. His name changed several times in the first 48 hours. It is now officially entered in the record books as Benjamin Walker Santen. He and Stacy are both are doing well.

Katherine Burton (W#10) wrote to say she was getting married on Saturday, Jan. 15 at Mayfield Methodist in Chesterland. Her husband, Jule Keller, is a student pastor from the Methodist Seminary in Delaware, OH.

Tim Elek (M#7) thanks everyone for their prayers for his brother, Tom. A diagnosis of e-Coli bacteria was finally made, and an aggressive antibiotic therapy was started. The mysterious masses and shadows throughout his body were clumps of e-Coli that are now diminishing. He is expected to fully recover over the next 5-7 months.

CARPPOOL NOTICE!

Westsiders interested in carpooling from Bay Pres to any east-side Secuela should contact Lisa Pringle (W#10) 216-221-8280

WEEKEND OBJECTIVES

Although the mission statement of our local secretariat is intentionally broad in scope, the stated objective of Tres Dias is quite finite: **to empower Christian leaders who will inspire renewal and revival in the church.**

Tres Dias weekends are for committed followers of Christ who are active in their church and community. Tres Dias weekends are not evangelical tools, though that sometimes happens when candidates discover a deeper relationship with Jesus as their personal Savior.

Tres Dias weekends are specifically designed for spiritual renewal of leadership, not as an encounter group for emotional healing. It is true that we are all wounded healers, and healing often takes place on weekends, but this is usually spiritual healing. Sponsors should not consider Tres Dias as a “quick fix” for someone’s personal problems or emotional issues. That may actually be a disservice to the candidate (AND the team). A loving approach, though more difficult, is to walk beside someone who is hurting – giving long term support – as they go through God’s natural process for emotional healing.

Tres Dias weekend essentials are public knowledge. Weekends are not secret events. The essential elements of the weekends are published and readily available (via the internet at www.tresdias.org and through promotional videos and brochures available from our local secretariat). Part of the essentials involves personal sharing, and of course, no one should ever repeat what another says in personal talks or private discussions. If confidentiality is misconstrued as secretive, help others to understand this is a sacred trust that benefits everyone.

While the published essentials are the same each weekend, the non-essentials always change. These are “surprises”. They change each weekend as based on decisions of the team, a unique set of candidates, new scripture themes, and our limitless and amazing God. As you prepare to sponsor a candidate, pray first before asking someone to attend. Always answer any questions they may have openly. Let candidates know there are no “secrets”, but there is a respect for confidentiality and there may be “surprises” that cannot be anticipated.
