August 2007

Ok, its that time of year again. Things start happening. Back to school, back to work, plans to grab the last minutes of summer, and events get into gear.

As I look back over the last years, and the great work of my predecessors, I'm a little anxious about what lies ahead. Although one of my many personal favorite verses is Phil. 4:6, "be anxious about nothing, but pray about everything..." I am still anxious.

Thanks to the nominating committee and the veterans serving their second year we have a Great Executive Committee for the '07-'08 season. Ok, maybe not so anxious, just a little worried. We've got Diane Hrubik as Vice President with her vast experiences, on teams, working on the International Secretariat/Secuela, and now part of the Executive Committee. Jim Hart has graciously opted for another term as Treasurer; the man is a firmly grounded accountant to our ever changing and very difficult dynamics. And then there is Lisa Pringle, as Secretary she is redefining the role. Her energy and drive is just plain scary. Ok, so I'm not so worried.

Then there is the Board of Directors. Returning for their second year is Denise Palma as Assistant Treasurer and Taffy Kulp as Inventory Chair. They did a great job last year with no experience how much better will they be now. Dan Kearney has taken on the challenge of filling the shoes of the infamous Dan Allen as Fourth Day Chair. In speaking with Dan K., he is ready to go. Beside the name, I see a great similarity of charisma and tenacity between these two men. Dan Allen it's been a great 4 years, Thank You. Lezlee Sims as Outreach Chair, now here is a woman who not only has the excitement and skills, but she has been noted to go as far as the Asian continent (I think it was Hong Kong) to locate an Emmaues Group. That's some serious Outreach! To round out the group Mike Wise will be returning as the exiting President/Advisor to keep me on track as he did last year, and of course the ever faithful Pam Belknap as our International Executive Vice President/delegate. Lastly, lets face it nobody would know anything if it weren't for our Communication Committee – Liz McArthur and the Leibachers as our Webmasters gurus, Eileen Koborie whom without her you wouldn't be reading this, Barb Jackson and her attention to the hard copied newsletter deliveries, and of course those immediate information releases (BLAST) by Deane Elek.

Wow! What a group! You know, I'm not worried at all! I think I'm looking forward to it!

There is one last person I neglected to mention, that would be YOU! Secuelas, Secretariats, emails, phone calls, prayers ... I want to hear from you. As much as I am counting on the people mentioned above I am also counting on you!

See you August 11th!

Prayer Request from MaryAnn Walter (W#9)

I have an urgent prayer request. My 3 1/2 month old baby granddaughter, Rori, has developed bronchiolitis. She has not slept for the past two nights. The doctor is monitoring her closely. Please pray that Rori is healed soon. Pray that she does not develop RSV. The most important thing is for her to get better. Pray for her parents Brian & Christa. The other concern is that Brian's sister and family has been visiting and they have a 3 year-old boy Tag, and a 2 month-old baby, Delaney. Christa & Brian have another little girl, Keira who has asthma. Bronchiolitis is contagious. Please pray these other children do not get this. Thank you.

Update on Jim Crytzer (M#7)

JIM HEADS HOME!!! Jim came home July 31 and has had one restful day. Sherry is with us and as usual has been an amazing help getting all of the prescriptions organized as well as the tube feeding. Although weak, Jim is FAR stronger than when he returned from the first surgery. We have much for which to be thankful. There are a couple of concerns that we would appreciate your powerful prayers. First of all, Jim's voice seems less strong than before, even weaker these past 4 days. We believe God can make it perfect once again. Also, the doctors removed a portion of Jim's clavicle and breastbone during the surgery. We knew it would limit his range of motion in his left arm as well as be weaker than before, but currently he is having much pain and is hardly able to move it at all.

Again, we know that God can make the crooked path straight and we are willing to walk down any path as long as He leads us. We continue to experience great peace, and excited hope for what God has for our future. We know we are walking in this tunnel of contentment because of your continual prayers and well wishes on our behalf. May God richly bless you for being so faithful. Judi

MEN'S WEEKEND #16

October 18-21, 2007

Romans 12:1

Therefore, I urge you, brothers, in view of God's mercy, to offer your bodies as living sacrifices, holy and pleasing to God – this is your spiritual act of worship. NIV

So here's what I want you to do, God helping you: Take your everyday, ordinary life – your sleeping, eating, going to work, and walking-around life – and place it before God as an offering. MSG
