President's Letter

Pruning: It's essential for growth.

*Consider it pure joy, my brothers, whenever you face trials of many kinds, because you know that the testing of your faith develops perseverance. Perseverance must finish its work so that you may be mature and complete, not lacking anything. **James 1:2-4***

There are lots of opportunities for Christian growth – sermons, small group bible study, personal study, edifying books, teaching ... But where do we get PRUNED???

Why is pruning important? Using the example of trees, pruning removes diseased or storm-damaged branches and thins the crown to permit new growth and better air circulation. Hmmm – sound familiar? (See treehelp.com)

What does pruning mean in our lives? Let's face it – we all have persistent sin issues. In my own case, I had MANY leading up to my original Weekend. Pruning means the removal of those persistent sins, casting off, nailing to the cross, repentance. (A couple of big ones were pruned that Weekend, but more since.)

How does pruning help promote our growth? Isn't it easier to receive new insight when our minds are uncluttered by our own persistent sin? Stark example: Have you ever tried to do a morning devotion and prayer time after giving in to your dark side the night before? Been there, done that, doesn't work.

Why is it difficult for our churches to prune us? Pruning is often messy, people break down; it's often a somewhat disorderly event by nature. Some sermons hold convicting messages, but the closest thing might be healing services. But churches seem to avoid regular healing services.

Is pruning part of a healing process? There seems to be similar characteristics – pain, crying, remorse, regret, suffering ... but then strength, renewal, change, joy.

So where do we get pruned? Often, pruning happens at the “milestone events” like Billy Graham crusades, Promise Keepers, Women of Faith, church retreats, and certainly Tres Dias Weekends. It seems like God uses these events in a special way to prune away some of the big stuff, and then put us back together as a new creation in His grace. Here's the main point....

Where can we find ongoing opportunities for pruning, regular cleaning of the small but frustrating and obstructing barnacles off our hulls? What about Reunion Groups? If we have a heart to confess our smaller, everyday failings to a couple like-minded people every week before these issues become raging forest fires, isn't that one of the primary functions of a vibrant, fruit-bearing reunion group?

If you want to grow and bear fruit, get pruned. And don't be afraid to be used by God in the pruning of others (but remember the plank and speck thing). (See **Micah 6:8** and **Proverbs 27:17**.)

De Colores,

Mike Wise (AZ Cursillo #34)

Are you Grouping?!?!
For good reason, it's a Tres Dias Essential.

PRAYER REQUESTS

Please pray for our Leadership and the following urgent needs:

Gene and Elaine Kabelen (M#2 & W#9) request prayers for a friend of theirs in Marietta, Jim Schneider, who has just had surgery for prostate cancer. Please keep Jim and his family in prayer. **Lisa Larson (W#9)** had surgery on Dec 22 to remove her gall bladder. Please pray that her recovery is quick and easy. **Ginny Gibbons (W#10)** had a colon biopsy done on Dec 21 to determine if it is ovarian cancer or the breast cancer from years ago. Either way, it has metastasized and chemo will play a major role. If it's ovarian, there may be surgery to consider. Ginny asks for continued prayers as they anticipate treatment. **Update on Bill Bodemer [M#6]:** After a two-week rest between rounds of treatment, Bill Bodemer is undergoing a second series of chemotherapy treatments for cancer of his neck, lung and kidney. Please keep him in your prayers. **Update on Wally Scofield [CT M#6]:** Wally came home from the hospital on the 22nd. If all goes well, he has two more weeks of daily radiation and three more chemo treatments. He is very stoic as he endures the pain. Due to the treatments, he cannot hear or speak, but within a few months both should return. **Prayers for Barbara Radis [W#1] and family:** Barbara's father passed away on Dec 28. She has expressed that although she is "heartbroken," she is at peace. **Prayers and condolences to Cassandra Kearney (W#12), Ada McQuarry (W#14) and Fred McQuarry (M#14)** Dan Kearney notified Tres Dias of the sudden heart attack and death of Floyd Beaver, age 49, in St. Louis. Floyd is the son of Ada, and brother to Cassandra and Fred. Floyd also leaves his wife and four young children. At the time of Dan's call, Ada was on a plane heading to St. Louis for a holiday visit and family reunion, and was still not aware Floyd had died. Floyd's entire family is distraught and in shock. **Please pray for them** in the months ahead.

Update on Jim Crytzer:

Jim Crytzer (M#7) underwent surgery December 21 for a ruptured esophagus. The surgery was a success – although it was the best of the worse case scenario. Jim had to have his esophagus removed because of the damage done. The hospital has restricted the number of visitors Jim can have in a day to minimize the threat of infection, and to help him rest. Judi sent the following message: *We thank you for your many prayers offered up in our name, and ask that you will continue to storm the gates of heaven for a while longer. Our family is truly amazed of the outpouring of love we have received, especially from the Tres Dias community. We have no idea why we are walking through this valley now, but we pray that God will be glorified through it.*

Sponsorship

Sponsorship is a total commitment to your candidate. As a sponsor consider the following:

1. I recognize that Tres Dias is not for everyone. Offering Tres Dias to someone comes only after I am willing to make a significant commitment to that person. If I am not willing to make that commitment, I should not sponsor.
2. Have I honestly looked at my reasons for sponsoring this person?
3. Do I know the person or do I just know about the person?
4. Have I prayed for guidance and sought counsel with other experienced Pescadores?
5. Is this the right time for the Candidate?
6. Am I willing to make a significant commitment to my Candidate and his/her family?

Weekend Support

Sponsors should support Candidates on the Weekend by providing transportation, praying for the Weekend, providing a general palanca letter to the Weekend, personal palanca to the Candidate, offering to help the Candidate's family, providing a baby-sitter for children if needed, attending the opening and closing, and answering any other needs that would be helpful.

Fourth Day Support

The sponsor should recognize that an ongoing commitment is being made to the Candidate by sending the Candidate to Tres Dias. The sponsor should help the new Pescadore to live the Fourth Day as it is presented on the Weekend by encouraging the new Pescadore to join (or form) a Reunion Group and to attend Secuelas and Secretariat meetings. In general, the sponsor should be responsive to the needs of the new Pescadore until he/she is established in the Fourth Day.
