Gear Up!

Ok folks, Men's #16 right around the corner! Gear Up! I know that Dave Starke and his team have been hard at work, and that they are all geared up. I know that Heidi as Weekend Chair has got her ducks in a row and she and her crews are also all geared up. I'm very certain that some of you out there have been hard at work on your own various projects regarding Men's #16 and that you are also all geared up. And you better darn well believe our Father in Heaven is All Geared Up!

So what about you?

Dave and his team have spent some long, hard, hot summer hours, working on their team structure and unity. Rollistas have spent a ton of sweat equity defining and redefining their Rollo only so God can change it at the last minute on the weekend. Heidi has been on the phone and literally in person been chasing people down for service Palanca (no screening phone calls here).

And what about you?

So you say, "I'm not on team ... and Heidi hasn't called me." (Does she need to call you?) Palanca, yeah that's right Palanca. Remember the effect it had on you when you went to bed that Friday night. Wow!! What is all this stuff! Here's a note from my pastor, and here's a note from ok I don't know who that is, but he is praying for me Wow! And here's a note from my wife ... my daughter ... my son ... my best friend ... my dog! Wow!

Palanca has a tremendous impact, trinkets, notes, hand-written and otherwise (hand-written always works best), food Palanca (next to hand-written notes this one works pretty well also) and just about anything God puts on your heart. There is always service Palanca, but this one has got to be coordinated by the Weekend Chair. Palanca, Palanca, Palanca.

Is your Palanca done? Gear UP!

Dave
