PRESIDENT'S LETTER

Well it's been one heck of a fun year and this will be my last President's Letter to you, ahh but all good things must come to an end. Serving on the Board has been Blast. Ok maybe not a "Blast" but different. I have come to learn that serving within Tres Dias carries many different blessings. To serve on a team is different than when you are a candidate, but it is good! To serve as an aux on team rather than a table leader is different, but it is good! Well, I'm here to tell you to serve on the Board of Directors is different, but it is good! Whenever you get the chance to do God's work it is always different and always good, all you need to do is make yourself available. Isaiah made himself available in when he said in ISA 6:8 "Here am I; send me!" and look what happened, he had a book named after him that people have been reading for ages. Now I do have to point out that God did not ask Isaiah to do anything. God presented a situation and Isaiah volunteered. Now I know without a doubt if God Himself asked you, you would be all over it, but mostly He doesn't ask He just presents a situation. I know we are all busy with this and that, but as for Secretariat and/or the Board of

Directors it's one night a month, with a little of this and that in between. Nominating Committee should be wrapped up by now for positions within the Board, but there are always ways to say "Here am I; send me!" Attend the Secretariats and just like that you are a voting member and available. You can learn the inner nuts and bolts of what Cleveland Tres Dias has going on. Is it exciting? Sometimes. Is it frustrating? Yeah sometimes. Is it rewarding? **Absolutely!**

Now on a more serious note and with all sincerity it has been both an honor and a privilege serving on the Board. Working with Mike Wise as my predecessor and mentor, and now passing the torch on to Diane Hrubik my successor and also mentor has been an enjoyable education. Many thanks to the entire Executive Committee, Board of Directors, Rectors and attendees of the Secretariat who have made this an interesting year. To Him whom "thank-you" could not be appropriately expressed enough, He has made this an interesting year, as I am sure He will next year! Why? Because He is good!

DeColores!
Dave
