## FROM THE PRESIDENT...

*"For I am confident of this very thing, that He who began a good work in you will perfect it until the day of Christ Jesus."*  
Philippians 1:6

As I write my last President's letter, I am remembering many of our recent 4<sup>th</sup> Day talks. Most of the speakers have shared about how far the Lord has taken them in their service for Him since their Tres Dias weekend. They have shared experiences of doing things they would have never pictured themselves doing years before. Do you identify with that, I sure do?

After my candidate weekend, I hoped to serve on a Tres Dias Team. I thought maybe I could even give a Rollo. These were roles I seemed comfortable with, because I had done that type of thing before at church or in a Christian ministry. When God called me to serve as VP and President, this was definitely out of that "comfort zone" and I realized it would be His strength working through my weakness. The past couple of years have been a time of learning, a time of blessing, and a time of prayer and trusting. Because I have a heart for Tres Dias, I hope I have been able to bring Him glory in my service and I hope I encouraged the development of this community. Personally I have no doubt that He has really stretched me in many areas and He continues to demand my dependence on Him!! Although I feel

I am a "reluctant leader", when I look back over the years and my walk with the Lord, I am amazed at the opportunities He has placed before me when I have been available and obedient. Because of this, I can also always look forward to where and what He will bring next.

I firmly believe that God personally called YOU to your Tres Dias Weekend and into this Cleveland Tres Dias community to encourage you to be a Leader for Him in a special way in whatever Environment He has placed you. Where is God calling you out of your "comfort zone" into a challenge? I pray that we all together would keep our eyes focused on Christ, our hearts open to the Spirit, and our ears listening to the still small voice of God as He leads each of us in the path He has chosen for us to follow, as we are being more conformed to the image of Christ, for the building up of the church, and to bring glory to our Lord and Savior.

*"Faithful is He who calls you, and He also will bring it to pass."*

1 Thessalonians 5:24

God smiled on us through the weekend experience with beautiful days, and with some free time to enjoy the setting. Add to this all the wonderful works that were performed behind the scenes to make it all work so well.

I think some of us are still humming the weekend song.

The team and candidates came a way with a renewed sense of purpose for our selves.

Now we can go forward and focus on the Men's weekend coming up in October.
